Re: Grant #1781 (assign new number)

Dear Dr. ^{Will}~~Karnovsky~~:

In response to your letter of ~~December 20, 1984~~ ^{February 13, 1985}, I am pleased to inform you that The Council For Tobacco Research has authorized a donation of \$2,500.00 for partial support of the 1986 ~~meeting of the American Society for Cell Biology~~. A check for that amount is enclosed with this letter. We request only that our contribution not be used to support costs for participants from the industrial sector.

The agenda you shared with us is both interesting and ambitious, with several of the topics of high relevance to the Council's current priorities.

^{hope that you will hold}
We ~~are grateful that you are holding~~ a place for someone from our staff to attend.

Sincerely,

Harmon McAllister
